What is Main Street?

Main Street is a national program in over 100 communities in Georgia and thousands of communities nation wide. These communities have adopted the Main Street approach to look at “Main Street” as the heart of their communities, work to save it’s historic buildings, revive its commercial core, strengthen business, control community eroding sprawl and keep a sense of place and community life in America.

Main Street works on a four-point approach to downtown revitalization. These four committees work together to build a sustainable and complete community revitalization effort.

Organization

We are a volunteer driven program and we need your help! Our board of directors and committees all work toward the same goal of reviving the downtown area. We work at getting everyone focused in the same direction by assembling financial as well as public resources to implement a downtown revitalization program.

Design

We want to draw attention to Downtown Waycross’ best assets and keep the area in top physical shape. We do this by capitalizing on the historic buildings and sidewalks that made downtown flourish years ago. A great example is the Historic Walking Trail that takes you on a one mile tour around downtown and stops at some of the historic sites we have in our area. In turn design improvements result in more dollars being spent in downtown.

Economic Restructuring

We want to fill the unused and underused spaces in Downtown. We do this by recruiting new businesses and staying up to date on the current market. We work towards sharpening the competitiveness of the existing businesses to respond to today’s consumer needs. The Ware Hotel is a great example of a rehabilitation project that is underway. When it’s complete it is expected to bring 35 new apartments to the downtown area.

Promotion

We plan and promote events in order to increase public interest and draw consumers to shop, eat, play and live in downtown Waycross. We want to increase public traffic. We do this by having festivals, parades and events in downtown Waycross.
