

Illuminate Waycross At Christmas!

What Is “Illuminate Waycross At Christmas”?

It is a city-wide, public/private effort to recapture Waycross’ holiday tradition of LIGHTS! A **Waycross Main Street** project, partners include the City of Waycross and the Waycross-Ware County Chamber of Commerce. Your support will assist in illuminating our major boulevards with festive, state-of-the-art, LED-lighted pole decorations by Christmas 2010. (See photos above) With the addition of these decorations, the spirit of the holiday season can once again be seen and enjoyed throughout our community.

Our Goal:

To purchase 180 Christmas pole decorations that will be placed strategically from the center of our community outwards along State Street, Memorial Drive, Plant Avenue, Brunswick Highway and Corridor Z. The cost of each decoration is \$300.00. Once purchased by **Waycross Main Street**, the decorations will be turned over to the City of Waycross who will install, store and maintain them each year.

How Can You Give?

- Purchase a decoration in Memory or Honor of a friend or loved one
 - Sponsor a decoration
 - Individual donations of any amount
 - Business, civic club, church and school contributions
- Challenges (challenge others to match your contribution)
 - Pool funds among friends, relatives and/or colleagues
